

## Ahoy Matey!

**ALL WEBELOS\*** (4<sup>th</sup> & 5<sup>th</sup> Grade) are invited to attend the Two Rivers Webelos Winter Weekend at Camp Flying Eagle, 16009 Upper Manatee River Rd., Bradenton, on February 12 & 13, 2011.

The crew assures me this "voyage" into Scouting to be a memorable one. The crew has a full list of **FUN** activities for your enjoyment, as we chart towards the future.

The ship's cook assures me the hold is full of fresh food from the last island where we stopped. The food will be cooked in our galley, Saturday night and Sunday morning, for your dining pleasure.

Following the days fun-filled activities, we will be stopping at the newly discovered land called North America, where the natives will perform a meaningful ceremony for the 5<sup>th</sup> grade Webelos\* (guests are welcome for the ceremony, which starts at 8:30 p.m.).

Our weekend activities will end following Breakfast, Religious Services & Parting Ceremonies. This is only the beginning of the new adventure ahead. More fun and camp-outs to follow. The gear for this great adventure includes a tent, sleeping bag, uniform, stuff to protect you from the hostile elements, toilet articles, Scout Spirit and a bag lunch for Saturday. You will be hiking you own gear in and out.

Cost: on or before 2/04/11 \$17.00 per person, \$22.00 after that. Check-in: Saturday, 9:00 am to 12:00 noon. Activities start at 1:00 p.m. Due to the dangerous nature of voyaging to unknown lands, we will not be able to accept other siblings and all Webelos Scouts must bring a parent along on this journey.
