

## CUB SCOUT LEADER TRAINING 2017 - 2018

**Cub Scout Leader Training** is designed to teach the basics of leading young boys in the Cub Scout program. This course offers training in the areas of conducting den and pack meetings, organizing special activities, advancement, pack organization, skits, games, and more. Your success and enjoyment in Cub Scouting is dependent upon good training so you will be knowledgeable and provide a quality program.

**Training** comprises two parts: **1) “Youth Protection Training”** for all registered volunteers and leaders **and 2) Leader Specific Training** which is based on the unit leader’s level position. **Youth Protection Training** is available on-line and is required for all registered volunteers in Scouting and, if noted, is also included in scheduled training sessions.

**New Leader Specific Training** provides the specialized knowledge a new leader needs when assuming a leadership role as a Cubmaster, Den Leader, Tiger Leader, Webelos Leader, Assistant Leader, or Committee Member.

A Cub Scout leader is fully trained upon completing **Leader Specific, and Youth Protection.**

Please find listed below the date, time, and place of each Cub Scout Leader Training course to be held this Scout year.
