5328 24th Street East, Bradenton, Florida, 34203

WHAT IS ROUND TABLE?

Roundtable is a monthly networking event designed to provide learning opportunities, training, advice, and fellowship for all adults involved with the Scouting program. It is a great place to meet and exchange ideas with other unit leaders, district volunteers, and Commissioners, and to learn from their experiences. We will discuss program topics for your unit and upcoming events to help make sure your pack, troop, or crew is moving in the right direction. There are separate breakout sessions for Cub Scouts and Scouts BSA.
