

OSCEOLA LODGE
ORDER OF THE ARROW

Order of the Arrow Dues

If you are receiving this newsletter, you have not paid your dues for the 2026 calendar year for Order of the Arrow. Many people might've forgotten or are not aware but every new year you have to pay your dues to retain your membership with our Lodge unless you are an annual event pass holder.

Annual Event Pass

**ORDER OF THE

**SOUTHWEST

OSCEOLA

Our annual event pass is a very convenient purchase for people who show up to every event and are very active in our Lodge. This annual event pass covers your yearly dues, Lodge events, and also automatically registers you for every fellowship from fall fellowship to summer fellowship the following year. If you find yourself having to pay late fees for fellowships or forget to pay your dues this pass is a very nice investment. The pass is \$120 dollars and you save \$20 dollars if you attend every event. If you register for every fellowship individually, you will pay \$140 for the year. Another thing that comes with this event pass is our exclusive patch set which comes with your purchase. The pass will be available for purchase in May- September so be ready for its release!

What We Are Doing

Ordeal

This upcoming month, on March 13th we are going to have a spring fellowship/ordeal weekend at Camp Flying Eagle. This weekend is very important for the Lodge because this is the one time a year where we take have the ability to bring in new members into our Lodge. To grow in numbers, we need attendance from existing members so we can have enough elangomats for the incoming candidates. If you have any questions contact Daniel M, our Head Elangomat. We need you so pay your dues and sign up to be an Elangomat at Ordeal!

Other Events

- **During our ordeal weekend we are going to be hosting Lodge elections for next year so we want as many people there are possible!**
- **We are also going to be planning a fun event for our summer fellowship. Our program chair has many ideas for summer fellowship so don't miss it!**
