

OSCEOLA ORACLE

September 2023

SUMMER FELLOWSHIP

2023 Summer Fellowship was a time for some fun activities and games after a great year of cheerful service at both of our camps. The lodge has worked hard over the past year, especially with the clean-up efforts from Hurricane Ian. The lodge has held several workdays at both camps in addition to the planned fellowships. During these workdays, we were able to get both camps cleaned up and safe for fellow troops, council events and Winter Camp.

The goal for this year's Summer Fellowship was to reward the lodge for their hard work this year. There was a water slide, kick ball, ultimate frisbee and several other games we played. Overall, it was great to just be able to have fun and work on some team building activities. Congratulations to the 2 new Brotherhood members that completed their walk! We look forward to seeing how you cheerfully serve your unit, chapter, and Lodge. If you missed Summer Fellowship, check out Facebook and Instagram for pictures! We hope to see you at Fall Fellowship, September 8-10 at Camp Flying Eagle!

ADVISER'S MINUTE

Arrowmen

Our Lodge has a busy year ahead. In addition to our Fellowships and Ordeal Weekend, we will be hosting this year's Section Leadership Summit. We also plan on sending a contingent to NOAC, which will be this summer in Colorado!

With all of these events, that leaves many opportunities for our youth to step up and become leaders. There are many committees and chairperson positions available to fit your strong suits or help you step out of your comfort zone and into new experiences. Adults, these youth need advisers. If there is a spot where you think your education, vocation or experience can benefit our youth leaders, please let me know

On August 19th, about 45 arrowmen participated in a workday at Camp Flying Eagle. I am happy to report that the day was a success, and a lot of needed work was completed. I look forward to seeing you all at Fall Fellowship!

Yours in Brotherhood
Sean Hauser
Lodge Adviser

CHIEF'S CORNER

We have two new exciting programs coming, the 1st being our Multi-level Service award meant to honor those who go above and beyond in service, and the second being our lodge flag competition which gives our arrowmen a chance to design our next lodge flap.

Recently we had a lodge workday at Camp Flying Eagle, which was a huge success. We had a great showing of Osceola members completing projects to help prepare the lodge for the upcoming Section Leadership Summit our lodge is hosting.

Make sure your units are signing up for unit elections, so others have the opportunity to join us in the Order of the Arrow.

Yours in Brotherhood

Caleb S.
Lodge Chief

CHAPTER COMMUNITY

Hvlpata Tasthanagi

This is my first term as Chapter Chief and I am glad to be representing Hvlpatah Tasthanagi. We are starting up this year with high hopes and all our members are extremely enthusiastic. Unfortunately, we have not been able to hold a meeting yet, but we are working on planning them. We are all really excited to get back into the swing of things and see what the new year will bring us.

Oen F.
Chapter
Chief

Yaha Hajo

We are starting the troop election season by preparing our members and communicating with the troops in our area. We are excited to see new brothers enter our brotherhood as we continue the year. Yaha Hajo is starting the year strong!

Alistar M.
Chapter Chief

Tukosee Mathla

We have already had our first meeting in the beginning of August, with our next one on September 14th. I hope to see many people in the chapter involved at this year's lodge events and active at our meetings.

Lola S.

VICE CHIEF- PROGRAM

Brothers, I am very excited for this upcoming fellowship for all the activities and service we have planned. I would also like to remind you all that if you would like to put in any ideas that you have for activities or service projects, please let me know so I can get you involved within those committees. Thank you for your time and I look forward to Fall Fellowship.

Nick S.

VICE CHIEF- INDUCTIONS

The Brotherhood team continues to hold practices for Fall Fellowship and we are well prepared to have an excellent ceremony. I am also preparing for unit election training that is taking place during Fall Fellowship. I hope to see many people attending this meeting to learn how to run their unit elections.

Adam B.

SAVE THE DATE!

LODGE FLAP COMPETITION

This competition is to give the lodge members a chance to design our next lodge flap. The Lodge will vote on their favorite one, the top 3 will be sent to the LEC, and the winner will be turned into our next flap.

You can submit your flap design in person at Winter Fellowship or online by emailing calebschulz@gmail.com with the subject as "**your name*s* Lodge Flap Competition Submission" and must be emailed before November 13th. You can submit as many as you want but have the following requirements on the patch or will be disqualified.

The Patch Must Have:

- Osceola 564
- WWW
- Fleur de Lis - 
- Bust of Osceola
- 2x5in
- Border Color

This year, Osceola Lodge has the privilege and responsibility of hosting the Section Leadership Seminars (SLS) at Camp Flying Eagle. SLS will be Friday, November 3-5th.

As the Host Lodge, we will provide all staff and logistics for the event. The Section Leadership Seminars is a Section-sponsored, Lodge hosted annual training event to help leaders from across our Section, both youth and adult, develop skills and relationships to better serve them both inside and outside of Scouting and the Order of the Arrow. Come help your Lodge put on the best SLS our Section has ever seen. Have some fun, fellowship and network with Arrowmen from all across Florida.

Click here to register. You must use this link for registration. The link on the Council home page is for all other Lodges.
