FALL FELLOWSHIP 2025

We had Fall Fellowship in September and it was a blast! Our unique color war theme made for a competitive weekend with all chapters going head to head trying to win the spirit spoon. I would like to thank our program team for putting on such a fun weekend full of games and fellowship. Hvlpatah Tastanagi was the winner of the spirit spoon, congrats to them. We got lots of much need service done at CFE. The camp was in rough shape after a couple of months of growth and our lodge left it in a much better condition than it was when we got there. Vigil selections have been completed and our 2025 Vigils will be revealed at Winter Fellowship so don't miss it! Lastly I hope everybody had a great time at Fall Fellowship and is excited for what winter has to bring. Don't forget to register for SLS!

Until Next Time,

William Miranda

CHIEF'S CORNER

Fall Fellowship was a huge success, and I couldn't be more proud of how everything came together. The LEC put in a ton of work to make the weekend run smoothly, and it really paid off. Our nimats did a fantastic job guiding our new members, and the Ceremonies team did an amazing job as well. Thank you to everyone who came out, participated, and helped make significant progress with the service projects. Looking ahead, Winter Fellowship is coming up soon, and it's not an event you want to miss. We've got a lot planned, and it's going to be another awesome weekend of service and brotherhood. Also, don't forget that SLS is in November. Even more exciting, the OA National Chief will be there, which is a great opportunity to learn, connect, and represent our lodge! Keep up the great work, and I hope to see you all at the next event!

ADVISOR'S MINUTE

Fall Fellowship was an amazing weekend. There were 14 members that sealed their ties in the Order of the Arrow by completing their Brotherhood. It is always a pleasure to watch our ceremonies at the beautiful Ceremonies Grounds at Camp Flying Eagle. There were plenty of work projects completed, including the removal of the Rotary Pavilion, picnic table construction, trail and campsite brush clearing/maintenance and more. In my humble opinion, one of the most important things that happens at Fall Fellowship is the annual meeting of the Vigil Selection Committee. Eight youth plus one youth Chair person selected this years Vigil Candidates. "The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office..." Who was selected you ask? Come to Winter Fellowship and find out!

Additionally, there was Unit Elections training and Nimat training. Then there was the FUN. Lots of smiles were observed at the afternoon activities.

I am looking forward to seeing some of you at the upcoming SLS and seeing ALL OF YOU at Winter Fellowship!

Yours in Service

CHAPTER COMMUNITY

HVLPATAH TASTANAGI

Hvalpahtah Tastanagi is happy to report a very strong start to the year. We are working on planning chapter activities centered around service and fundraising, including but not limited to BBD, beach cleanups, and staffing our council's Camp-O-Ree. We had a strong and engaged turnout at Fall Fellowship this year, with multiple members going through and running nimat training in preparation for future brotherhood opportunities, as well as competing in all events. We were honored to have been awarded the Spirit Spoon for our efforts in this year's Color Wars and hope to continue this trend of fun and fellowship going into the rest of the Scouting year.

Yaha Hajo chapter had a lot of fun at Fall Fellowship, we had a bigger turnout for our chapter which is good. Hopefully we can continue our upward trend and get more involved. As the Chapter Chief I will be at SLS, I plan to recruit more people to attend. For our next chapter meeting we will be discussing upcoming events and watching the movie "planes". It will be on September 28th at the North Port scout house.

Section Leadership Summit 2025

WHAT IS SLS?

The Section Leadership Summit (SLS) is a weekend designed to bring Arrowmen together to learn, grow, and connect. Through a mix of engaging trainings sessions, hands-on workshops, fun activities, and lively shows, participants gain practical skills in leadership, teamwork, and lodge operations while sharing ideas with peers from across the section. Whether you're looking to strengthen your chapter, develop personally, enjoy exciting performances, or simply connect with other Arrowmen, SLS provides tools, inspiration, and experiences that you can take back home and put into action.

We want you to go to represent Osceola lodge. Last year we had few in attendance but this year we will be better. Our goal is 15 people in attendance so don't disappoint! Be there or be square!

Registration:

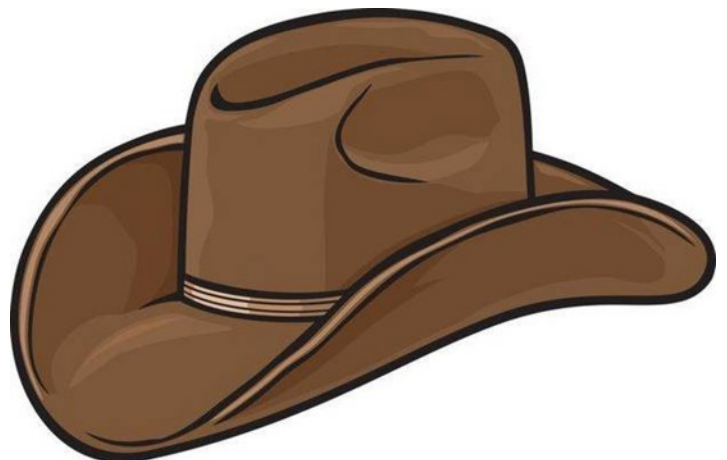

\$50 before October 30th

\$60 After October 30th
