OSCEOLA ORACLE

Fall Fellowship 2026

We had an amazing weekend full of service, fun, and brotherhood. There was a lot of service done at Camp Flying Eagle some of the service that was completed was clearing trails, removing weeds from out of the OA ring and much more. We had two trainings that were held this weekend which were the nimat and unit elections trainings. I want to congratulate the 17 people who sealed their ties in brotherhood this weekend and also the new brotherhood ceremony team on how well they did. Lastly, I want to thank everyone that came out this weekend ready to serve and have fun.

We just had an amazing Fall Fellowship this weekend and I couldn't have done it without you or this LEC. We had 17 people seal their ties in brotherhood so I want to give a big congratulations to them. We also had some amazing service done this weekend, along with multiple trainings such as Nimat training, and Unit Election training. We also had the greatest pleasure in having our current Section Secretary, Austin Rice, and even our past Section Secretary, Brady Kondek. I can't wait to hopefully see everyone at SLS, and then our Winter Fellowship!

Thank you everybody for coming out for our first event of the year! I was excited to see everybody that came. There was a lot of service that was done so I consider this weekend a success. I hope to see you all at our Winter Fellowship which will be our more eventful weekend in lodge history. Before winter fellowship, SLS is upcoming this November. I want to get as many people signed up for this awesome leadership experience as possible so don't be late! See you soon!

To begin with, I would like to first thank everyone that came out to Fall Fellowship! We had a great amount of people come out for the first event this year and it was awesome to see. I would also like to congratulate the 17 new brotherhood members. While we did not get to all the activities planned, I hope everyone still enjoyed each other's company. Winter Fellowship will be a busy, but fun event and I can't wait to see yall there!

The past month has been very productive for our inductions team. We had twelve people attend the E-6 Section Induction Experience to learn about the new process. At Fall Fellowship, seventeen sealed their membership in our order. We also held nimat and unit elections trainings and had a new Brotherhood team conduct the ceremony. I would like to thank our nimats and ceremonialists and congratulate our new Brotherhood members.

Yaha Hajo

Yaha Hajo had a great time at Fall Fellowship. It was amazing seeing some of our chapter members seal their membership in their brotherhood ceremony. I hope that those that didn't get the chance will attend the Winter Fellowship. Overall I think everyone enjoyed the weekend. Our next meeting will be on the 25th of October and we will plan all of our meetings for the entire year. I hope to make this a great and fun year for our chapter.

Advisor's Minute

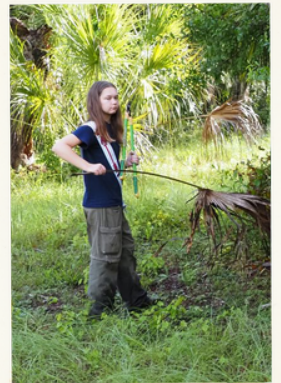

Your Fall Fellowship went quite well. This was the first event planned and executed by your new LEC. Outside of some rain and weather hiccups, it all went as planned. As you all know by now, the new Inductions Experience is going to be the overall theme for most of our program year. The Lodge sent a team to Alabama over the summer to see and experience these changes first hand. This allowed us to be able to go through the entire rollout process and be able to provide our incoming members in March with the new Inductions Experience. There are many changes and many similarities to what we have all experienced in the past. The big change is no more Elangomats just trudging along beside you. The new Inductions Experience involves Luminaries that provide insight, profound conversation and actively guide the new members through the process. With that said, your Vice Chief of Inductions, Josh (Fred), will need volunteers for a strong and trained Luminary Corp. Please reach out to him if interested. I hope to see many of you at SLS and all of you at Winter Fellowship!

Section Leadership Summit 2026

November 13-15, Camp La-No-Che, Paisley, FL

The Section Leadership Summit (SLS) is a weekend designed to bring Arrowmen together to learn, grow, and connect. Through a mix of engaging trainings sessions, hands-on workshops, fun activities, and lively shows, participants gain practical skills in leadership, teamwork, and lodge operations while sharing ideas with peers from across the section. Whether you're looking to strengthen your chapter, develop personally, enjoy exciting performances, or simply connect with other Arrowmen, SLS provides tools, inspiration, and experiences that you can take back home and put into action.

Winter Fellowship

December 11-13, Camp Miles, Punta Gorda, FL

This weekend will feature a full schedule of service, activities, and fellowship. On Saturday evening, we will host our annual Busk Banquet. This weekend also offers the opportunity to seal your membership in Brotherhood, experience the debut of our new induction ceremony, and we will be conducting the Vigil Honor Selection.
