Fellowship 2026**

Osceola Overview

This weekend is one to remember. Even though I wasn't there to see it, I want to congratulate everybody who received awards this past weekend. I could tell it was a good event because looking at all of the photos there is at least one smile in all of them! From what I can tell the activities went smoothly and there was a lot of fun that was had. I want to keep this spirit going into fall Fellowship and I am happy that we ended off our calendar year with a great event like this one. This past year was one of the best I have had in scouting and I would like to thank everybody in our Lodge for an amazing experience. Even though this is my last newsletter, I am happy to say the lodge publications are in good hands with Maggie and the quality of them will improve with every addition of the Osceola Oracle! I look forward to another year with our great lodge and I'm excited to see what will come next!

Summer Fellowship this year was such a fun and memorable experience, and it made for an amazing last weekend with the SWFL Council for a while. From spending time with friends, enjoying all the activities, and making new memories together, the weekend was filled with great moments that I will definitely remember for a long time.

One of the best parts of the weekend was seeing the spirit of brotherhood and Fellowship throughout every event. It was exciting to watch so many Arrowmen come together to support one another and celebrate everything our lodge has accomplished. Saturday night's awards ceremony was especially meaningful, recognizing the hard work and dedication of so many deserving members.

Congratulations to all of the new Arrowmen and Brotherhood members who took the next step in their journey this weekend. It was inspiring to see your commitment and enthusiasm for the Order. Congratulations as well to everyone who received awards on Saturday night. Your efforts and service truly make a difference.

I also want to give a huge congratulations to our upcoming lodge chief, Peyton. I know you are going to do an amazing job leading the lodge, and I cannot wait to see everything you accomplish in the future.

Even though this will be my last weekend with the our lodge for a while, I could've never asked for a better event to end on. Thank you to everyone who helped make Summer Fellowship such a special experience. 4

I had an absolute BLAST at our summer Fellowship this year, mostly because I LOVED all the games we played. From team challenges to playing random games, every activity brought energy, laughter, and real connection. I am excited for what our new LEC can do for the lodge in the upcoming year. It was quite the sendoff for our outgoing LEC, and I couldn't have asked for a better way to start the summer!

I want to thank each and every one of you that came to Summer Fellowship. I hope everyone had a blast with the water activities that we had, along with a new idea of the switch games we had. I also want to congratulate the new ordeal members that went through, along with our new brotherhood members. We had tons of service done by the candidates and the adults, which I cannot thank enough for all the hard work they put in.

It was a blast serving as the Vice Chief of Program for the past 2 years and I can't wait to see what our new VC of Program has to offer. I can't wait to see everybody at Fall Fellowship to kick off the new year!

Enjoy your summer!

Chapter Community

Tukosee Mathla

I hope everyone enjoyed their summer Fellowship and I'm happy to mention that we welcomed in 4 new members into Tukosee Mathla! We had many people show out from our chapter, and we will start our chapter meetings back up in August. I hope everyone has an awesome and safe summer.

Joanna F.

Hvlpatah Tastanagi

As of last Fellowship, HT has added 4 new members to the chapter and wishes everyone a great summer. We will begin meeting again in August at the North Collier Fire Station. Summer Fellowship was a blast, and the new leadership and the rest of the chapter can't wait to see everyone next year

Lola E.

Yaha Hajo

Yaha Hajo chapter had a GREAT time at summer Fellowship, we all had a great time, made great memories, and made new friends. We welcomed 2 new members into the chapter. Our next meeting will be June 28th, and we will be having a continental cooking competition. Then we won't have another meeting until August where we'll be planning the next activity year.

Our '25-'26 program year finished off with an awesome weekend at Summer Fellowship. Price-Sanders Scout Reservation was abuzz with smiles, good food and wet kids! As we roll into summer, we think of traveling with our families, our Units and some of you even a Council contingent to Jambo! I am confident that all of you, while travelling this summer to your various adventures, will represent your families, communities, churches, Units and your Lodge well. Be safe, have fun and make memories. I hope to see you all at Fall Fellowship in September at Camp Flying Eagle. Your incoming LEC, specifically your Inductions Team, is working through some logistics right now. Their hope is to be able to let you know all about the new Inductions process that we have heard so much about by then. For those able, please let me or Lori Laumeyer know that you will be at Price-Sanders Scout Reservation for a Work Day at Price-Sanders Scout Reservation on May 30th at 8am. Lunch will be provided.

Have a Great Summer!

Kings Cup Showcase

At Section Conference Nathaniel was able to get 2nd place in the Kings Cup Competition!!!

As Historian for Osceola Lodge, I am pleased to report that this year's Section Conference was an amazing experience. The King's Cup competition was a highlight, showcasing strong participation and lodge spirit; while we performed well, we are motivated to work even harder with the goal of taking first place next year. Overall, the conference was both enjoyable and meaningful, and I had a great time representing our lodge and connecting with others around the section!
