Fellowship Overview

We had a busy weekend at Camp Miles for Winter Fellowship 2025. This packed weekend included Christmas themed activities, games, a very exciting vigil callout, cheerful service, brotherhood ceremonies, and so much more! Out of all of the lodge events this year, this was my personal favorite. If you couldn't make it this time make sure not to miss the next! Spring Fellowship will be at @ CFE (March 13-15th) this will be our first ordeal weekend and attendance is needed so we as a lodge can smoothly run a great program for our ordeal candidates. I expect to see you there for all the fun!

Until Next Time,

Winter Fellowship was a huge success, and I could not be more proud of our lodge. From start to finish, the weekend showed exactly what the Order of the Arrow is about: service, leadership, and brotherhood. I want to give special recognition to our new Vigil Honor members. Earning Vigil is a big achievement, and each of you truly represents the values of cheerful service and commitment to others. We are proud to call you leaders of this lodge. I also want to congratulate all of our new Brotherhood members for taking the next step in your OA journey. Your dedication strengthens our lodge and helps set the example for those who follow. Thank you to everyone who helped with the service projects during the fellowship. The hard work, teamwork, and positive attitude made a real difference and showed what we can accomplish when we work together. Events like this do not happen without volunteers, planners, and participants who are willing to give their time for their and energy. I am grateful for everyone who attended, supported, and contributed to Winter Fellowship.

Vice Chief Reports

Winter Fellowship was a complete success. Strong attendance and seamless logistics fostered an atmosphere of genuine fellowship. The positive energy and brotherly spirit were truly commendable. Let's carry this momentum forward and keep the smiles going at all our future gatherings.

To start, I want to thank each and every one of you that came to Winter Fellowship. I want to say thank you for the guests who joined us this weekend. Just a couple reminders, sign up for Ordeal, it will be a lot of fun. It is March 13-15 up at Camp Flying Eagle. Thank you for Winter Fellowship and I look forward to seeing you all at Ordeal.

Chapter Community

Tukosee Mathla

We elected 41 people, had a great turnout at our last meeting, and voted to go Top Golf in January to start the year off with fun. Winter Fellowship was awesome with great participation. We are also very excited to announce two members of Tukosee Mathla were recognized with vigil honor: Joanna F and Peyton W!

HT is progressing nicely as we approach the halfway mark. We have successfully planned a beach cleanup for our February meeting and are currently looking forward to planning fundraisers at our January chapter meeting (1/25). We had a very successful election cycle and are excited to welcome our new brothers to the Order at March's Ordeal Weekend.

As a chapter we elected 28 youth and one adult. In total we have 40 candidates eligible to attend ordeal. At our last meeting we went to Kidstar, we went go karting and played glow mini golf. At our January meeting we will have pizza, games, and will be having our winter gift exchange!

We had two youth come, including me during our chapter meeting. We discussed having a meeting before ordeal happens. Grace Townsend is sadly moving away so our new chapter advisor will Ms. Kristen Bryant. We look forward to growing our chapter more after ordeal as we elected 17 people during troop elections

This past weekend was our last Lodge weekend of 2025. Your LEC planned and executed a great event! Camp Miles received quite a bit of TLC to prepare the facility for Winter Camp. There were games, contests and fun had all afternoon. Everyone I saw had a smile on their face. My favorite part of Winter Fellowship is always Vigil callout and ceremonies. Congratulations to Osceola Lodge's 2025 Vigil Honor recipients; Joanna F, Douglas M, Nathaniel B, Peyton W, Denise Colman and Shawn Airy. It is a great honor to be recognized by the youth of our Lodge for your outstanding dedication to our program and its ideals. After the event, your LEC and their advisers met. One of the items that had to be decided on was the 2026 activity patch set. They voted on a design concept submitted by one of the newest youth members of the Lodge. I am excited to see what it looks like stitched out. OA day at Winter Camp is the last event of the year. Please come out and represent if you're available on December 28th. Ordeal is right around the corner, March 13th-15th at Camp Flying Eagle. Encourage those elected in your Units to go through their Ordeal. Lastly, I want to wish our entire Lodge membership and their families a wonderful holiday season filled with joy, family and fun.

Busk Banquet

This years busk banquet was one to remember. Emotions ran high as our fellow brothers were recognized for awards like Vigil Honor, the Founder's Award, and Nick receiving Peyton's Eagle Mentor pin. Some tears were shed (Nick) but nonetheless, it was a great time with fantastic food thanks to the cook corp.
