UNIT ACCOUNT MAINTENANCE

Dear Volunteers:

Each year Southwest Florida Council includes a unit account maintenance form to be completed by the unit's Committee Chair or Chartered Organization Representative. This information must be updated annually and submitted on this form along with a *current* copy of your unit's *tax exemption certificate*.

If your unit does not have a certificate, contact **your chartered organization as it is their certificate that should be submitted**. Be sure to note your unit's number on the certificate copy (for example: Troop 99 or Pack 99) and attach the certificate to this completed form. *Incomplete forms will be returned; those not submitting current certificates will be charged tax until a valid copy of their tax certificate is received.*

Please do not delay in selecting those *registered* Scouters on your committee or in your unit that will have the privilege of charging on your account. Remember that individuals under the age of 21 are not eligible to sign on accounts.

In the event that your committee must change any of the names on your account, you must submit a new form to the Service Center as soon as possible. Forms are available at www.swflcouncilbsa.org under Forms and on the information rack at the Service Center.

Please contact the Service Center at 239-936-8072 with any questions or concerns that you may have.
