

CUB SCOUT PANTHER DISTRICT DAY CAMP RULES AND CODE OF CONDUCT

The following rules apply to all Cub Scouts attending the 2023 Panther District Day Camp. These rules need to be read and signed by all Scouts attending Day Camp. Please return with your camp registration.

1. The Buddy System is in effect at all times. Den Leaders will assign buddies on the first day of camp. Buddies stay together at all times, this includes going to the health officer, restroom, and time-out. A camp staff member may allow a scout to leave his or her buddy such as when a buddy must stay at the medical area or leave early. Know where your buddy is at all times.
2. Scouts must have the camp director's permission to leave camp any time camp is in session. This includes any time between opening ceremony and camp dismissal. There must also be prior written notification from the Scout's parents.
3. Scouts must ask for permission from their den leader before they leave their den. This includes when they leave at the end of the day. A Scout may leave the camp area only in the company of those authorized to pick him or her up. When he or she is dropped off the Scout will go directly to the Admin Tent and check-in.
4. Scouts will leave their knives at home. Knives, if necessary, will only be used in program areas and they will be provided. Scouts will not carry matches or other incendiary devices.
5. Scouts will wear closed toe shoes and socks at all times, Sandals including crocs are not authorized.
6. Scouts will be respectful towards all adults, staff members and visitors.
7. Scouts will be respectful and mindful of the feelings, safety and property of their fellow Scouts.
8. Proper language will be used at all times (improper language is the use of foul, profane or abusive language). All leaders will be addressed by their proper name or camp name.
9. Scouts will walk while in the camp area unless required to run as part of an activity.
10. The only time a Scout may throw an object in camp is part of a supervised camp activity.

I have read and understand the Code of Conduct and I understand that violations of this code will result in disciplinary measures including time-out and discussion with camp director about the behavior, a phone call home, and/or possible dismissal from Day Camp. Depending on the severity of the infraction the Camp Director has the authority to dismiss a Scout from camp and to further ban him or her from returning for any reason including physical altercations or any action that could result in the compromising of safety to others. No refunds will be issued for scouts dismissed from camp.
