

C.O.P.E. INSTRUCTOR TRAINING

(Challenging Outdoor Personal Experience) is a national program of the Boy Scouts of America. The program is composed of group initiative games, trust events, low course events, and high course events. Some activities involve a group challenge, while others develop individual skills and agility. Participants climb, swing, balance, jump, rappel, and devise solutions to a variety of problems. Most participants achieve much more than they imagined they could. COPE Instructors are required to perform physically demanding tasks on occasion. Being in relatively good shape is a requirement.
